IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Las Virgenes Unified School District in an aggregate principal amount not to exceed \$32,628,091.55.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Governing Board of the Las Virgenes Unified School District adopted a resolution on August 15, 2002 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$32,628,091.55 to be used for authorized purposes.

On November 4, 1997, an election was held whereby qualified voters of the District approved the proposition authorizing the District to issue \$93,119,421 in general obligation bonds in order to repair, renovate all local schools, add classrooms and build new schools and support facilities. This is the fourth issuance of bonds authorized under this measure. Bonds sold in the first three series amounted to \$60,491,329.45.

Pursuant to Section 15140 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County of Los Angeles following receipt of the district resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Service Excellence by providing one stop service delivery to the school district. It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of the bonds with a maximum interest rate of 6.9% per annum. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of these bonds will be described in the Bond Purchase Agreement.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in pricing of the bonds, to the Underwriter. The District has selected UBS Paine Webber Inc. as Underwriter; Bowie, Arneson, Wiles & Giannone as the Bond Counsel; and U.S. Bank Trust National Association as Paying Agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

The foregoing terms shall be subject to the terms of the Purchase Contract as executed and delivered.

The Capital Appreciation Bonds, if issued, shall accrete interest from the date of issuance of the Capital Appreciation Bonds to their maturity at a rate or rates such that the interest rate shall not exceed six and nine-tenths percent (6.90%) per annum. The Capital Appreciation Bonds shall be issued in any denominations of their Principal Amounts but shall reflect denominations of \$5,000 Maturity Value or any integral multiple thereof; provided that one Capital Appreciation Bond may be issued on an odd Maturity Amount. The Capital Appreciation Bonds shall mature on September 1 of the years designated in the Purchase Contract, or as may otherwise be specified in the Purchase Contract. Interest on each Capital Appreciation Bond shall be compounded semiannually on March 1 and September 1, or as may otherwise be specified in the Purchase Contract, of each year until maturity, commencing on the date of issuance thereof, computed using a year of 360 days, comprised of twelve 30-day months, and shall be payable only at maturity as to their Maturity Amounts or on their redemption date if redeemed prior to their stated maturity dates.

Only such of the Series D Bonds as shall bear thereon a certificate of authentication and registration in the form hereinafter recited, manually signed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Series D Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Treasurer and the District, and may contain such reference to any of the provisions of this Resolution as may be appropriate. Every temporary Bond shall be executed by the County upon the same conditions and in substantially the same manner as the definitive Bonds. If the County issues temporary Bonds it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds may be surrendered, for cancellation, in exchange therefor at the principal office of the Paying Agent and the Paying Agent shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Resolution as definitive Bonds executed and delivered hereunder.

"CUSIP" identification numbers shall be imprinted on the Bonds, but such numbers shall not constitute a part of the contract evidenced by the Bonds and any error or omission with respect thereto shall not constitute cause for refusal of the Purchaser to accept delivery of and pay for the Bonds. In addition, failure on the part of the District to use such CUSIP numbers in any notice to Owners of the Bonds shall not constitute an event of default or any violation of the District's contract with such Owners and shall not impair the effectiveness of any such notice.

SECTION 7. Execution of Bonds. The Bonds shall be executed by the manual or facsimile signature of the Chairman of the Board of Supervisors and the Treasurer or any designated deputy, and countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Supervisors or any designated deputy. The facsimile signatures of the Chairman of the Board of Supervisors, the Treasurer and the Executive Officer-Clerk of the Board of Supervisors may be printed, lithographed, engraved, or otherwise mechanically reproduced. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent for the Bonds. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 8. Delivery of Bonds; Disposition of Proceeds of the Bonds. The proper officials of the District shall cause the proper officials of the County to cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered to the original purchaser upon payment of the purchase price in immediately available funds.

The proceeds from the sale of the Bonds, to the extent of the principal amount thereof, shall be paid and credited to the fund established and designated as the "Las Virgenes Unified School District General Obligation Bonds, 1997 Election, Series D, Building Fund" ("Building Fund") of the District, and shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and for

payment of permissible costs of issuance and provided further that such proceeds shall be applied solely to authorized purposes which relate to the acquisition or improvement of real property as directed in writing by the District. The County shall have no obligation to ensure that the proceeds are applied in accordance with the preceding sentence. The interest earned on the monies deposited to the Building Fund shall be deposited to said Fund and such monies shall be used for any lawful purpose of the District at the direction of the District. The Building Fund shall be administered by the Los Angeles County Office of Education, or as otherwise required by applicable State law or applicable County requirements.

The accrued interest and any premium received from the sale of the Bonds (if any after all or a portion of Underwriter's discount or costs of issuance are paid) shall be kept separate and apart in the fund established and designated as the " Las Virgenes Unified School District, General Obligation Bonds 1997 Election, Series D, Debt Service Fund" ("Debt Service Fund") for the Bonds and used only for payments of principal and interest on the Bonds. Interest earned on investments of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal and interest when due. The monies in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same becomes due and payable, shall be transferred by the Treasurer to the Paying Agent for subsequent disbursement to the beneficial owners of the Bonds. The Debt Service Fund shall be administered by the County Auditor-Controller.

Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which Bonds are being issued shall, at the direction of the District, be transferred to the Debt Service Fund and applied to the payment of principal and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District to be applied in accordance with applicable law. The County shall have no obligation to ensure that excess proceeds, if any, are applied in accordance with the preceding two sentences. All proceeds of the Bonds and interest earnings thereon shall be invested by the County, on behalf of, and pursuant to the written direction(s) of the District, in Authorized Investments.

All proceeds of the Bonds and interest earnings thereon shall be invested by the County, on behalf of, and pursuant to the written direction(s) of, the District, in Authorized Investments. Absent other written investment directions provided to the County from the District, the Treasurer shall invest monies in the Building Investment Fund and the Debt Service Fund pursuant to the State law and the investment policy of the County.

SECTION 9. Payment of Principal and Interest. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Paying Agent. Interest on Current Interest Bonds shall be paid on each Bond Payment Date by check mailed by first class mail to the person in whose name the Bond is registered, and to that person's address appearing on the Bond Register (as described in Section 11 below) on the Record Date. The Owner of an aggregate Principal Amount or Maturity Value of \$1,000,000 or more may request, in writing, prior to the close of business on the fifteenth (15th) day of the month

preceding each Interest Payment Date, to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date.

Payments of principal and redemption premiums, if any, with respect to the Current Interest Bonds, and the payments of Maturity Value and redemption premiums, if any, with respect to Capital Appreciation Bonds, shall be payable at maturity or redemption upon surrender at the office of the Paying Agent in Los Angeles, California or such other location as the Paying Agent shall designate to the County and the District in writing. In the event the Paying Agent shall provide written notice of a change in the location for payment of principal, redemption premiums and maturity value on the Bonds, the Paying Agent shall thereafter provide notice of such change to the Informational Services and Securities Depositories of such change. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof.

The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

SECTION 10. Redemption.

(a) Optional Redemption. Unless otherwise specified in the Purchase Contract as executed and delivered, the Capital Appreciation Bonds shall not be subject to optional redemption prior to maturity.

The final terms for the optional redemption of the Current Interest Bonds shall be as specified in the Purchase Contract, as executed and delivered.

(b) Mandatory Sinking Fund Redemption of Current Interest Term Bonds. The Current Interest Term Bonds, if any, are subject to mandatory sinking fund redemption prior to their maturity, by lot, without premium, on each September 1, in the years and in the amounts as set forth in the Purchase Contract and in the Official Statement. In the event that there are no Current Interest Term Bonds specified in the Purchase Contract, this subsection shall not apply.

(c) Mandatory Sinking Fund Redemption of Capital Appreciation Term Bonds. The Capital Appreciation Term Bonds are subject to mandatory sinking fund redemption prior to their maturity date from monies in the Debt Service Fund established in Section 8 hereof, by lot, without premium, on each September 1 (or other date specified in the Purchase Contract), in the years and in the amounts as set forth in the Purchase Contract and in the Official Statement described below. In the event that there are no Capital Appreciation Term Bonds specified in the Purchase Contract, this subsection shall not apply.

(d) Selection of Bonds for Redemption. Whenever less than all of the outstanding Bonds are to be redeemed, the Paying Agent shall select the Bonds to be redeemed in inverse order of maturity, and within a maturity, the Paying Agent shall select Bonds for redemption by lot.

Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof, and the portion of any Capital Appreciation Bonds to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value of such Capital Appreciation Bond. The Paying Agent shall promptly notify the District of the Bonds so selected for redemption on such date.

(e) Notice of Redemption. Notice of redemption ("Redemption Notice") shall be mailed, first class postage prepaid, to the respective Owners of any Bonds designated for redemption at their address appearing on the books required to be kept by the Paying Agent, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, which notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the serial or registration numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the redemption price therefor, together with the interest accrued to the specified redemption date in the case of Capital Appreciation Bonds, and that from and after such date, interest with respect thereto shall cease to accrete in value.

In case of the redemption as permitted herein of all the Outstanding Bonds of any one maturity, the Redemption Notice shall be given by mailing as herein provided, except that the Redemption Notice need not specify the serial or registration numbers of the Bonds of such maturity.

Neither the failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds or the cessation of accrual of interest represented thereby from and after the redemption date.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

- (i) At least thirty (30) but not more than sixty (60) days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.
- (ii) At least thirty-two (32) days before the redemption date such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

- (iii) At least thirty-two (32) days before the redemption date such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive or failure to send, to the Securities Depositories or Informational Services, any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(f) Payment of Redeemed Bonds. When a Redemption Notice has been given substantially as provided for herein, and, when the amount necessary for the redemption of the Bonds called for redemption (principal and premium, if any) is set aside for that purpose in the Debt Service Fund, as provided herein, the Bonds designated for redemption shall become due and payable on the date fixed for redemption thereof and upon presentation and surrender of said Bonds at the place specified in the Redemption Notice, said Bonds shall be redeemed and paid at the redemption price out of the Debt Service Fund.

All unpaid interest payable at or prior to the redemption date shall continue to be payable to the respective Owners, but without interest thereon.

(g) Partial Redemption of Bonds. Upon surrender of any Bond redeemed in part only, the Paying Agent shall authenticate and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(h) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed outstanding and shall be surrendered to the Paying Agent for cancellation.

SECTION 11. Bond Registration; Transfers. As hereinafter provided, the Bonds shall be delivered in a form and with such terms as will permit them to be in book-entry only form, deposited with DTC. If the book-entry only system is no longer in effect, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of certificated Bonds as provided in this Section ("Bond Register"). While the book-entry only system is in effect, such books need not be kept, as

the Bonds will be represented by one Bond for each maturity registered in the name of Cede & Co., as nominee for DTC.

The person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of the Owner thereof; neither the District, the County nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of the same series of any other authorized denomination upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Any Bond may, in accordance with its terms (but only if the District determines no longer to maintain the book-entry only status of the Bonds, DTC determines to discontinue providing such services and no successor securities depository is named or DTC requests the District to deliver certificated securities to particular DTC Participants) be transferred, upon the books required to be kept pursuant to the provisions of this Section, by the Owner, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the office of the Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent, duly executed.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be canceled by the Paying Agent. The District and the County may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly canceled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Paying Agent and updated annually. The canceled Bonds shall be destroyed by the Paying Agent in accordance with its procedures as confirmed in writing to the District.

Neither the District, the County nor the Paying Agent will be required to: (a) issue or transfer any Bonds during a period beginning with the opening of business on the 16th day next preceding

either any Interest Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given, or (b) transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 12. Book-Entry System. Except as provided below, the owner of all of the Bonds shall be The Depository Trust Company, New York, New York ("DTC" or "Depository"), and the Bonds shall be registered in the name of Cede & Co., as nominee for DTC. The Bonds shall be initially executed and delivered in the form of a single, fully registered Bond for each maturity (which may be typewritten). Upon initial execution and delivery, as provided for herein, the ownership of such Bond shall be registered in the Bond Register in the name of the Nominee identified below as nominee of The Depository Trust Company, New York, New York, and its successors and assigns. Except as hereinafter provided, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section ("Nominee"). With respect to the Bonds registered in the Bond Register in the name of the Nominee, neither the District nor the Paying Agent shall have any responsibility or obligation to any broker-dealers, banks and other financial institutions from time to time for which the Depository holds Bonds as securities depository ("Participant") or to any person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, neither the District nor the Paying Agent shall have any responsibility or obligation (unless the District is at such time the Depository) with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other person, other than an Owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in the Bonds to be redeemed in the event the District redeems the Bonds in part, or (iv) the payment to any Participant or any other person, other than an Owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption, if applicable, and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and interest on the Bonds only to or upon the order of the respective Owner of the Bond, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner of a Bond, as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest. Upon delivery by the Depository to the Owners of the Bonds, and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Resolution shall refer to such nominee of the Depository.

In order to qualify the Bonds for the Depository's book-entry system, the District is executing and delivering to the Depository a Representation Letter. The execution and delivery of the Representation Letter shall not in any other way limit the provisions of this Section or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Bonds other than the owners of the Bonds, as shown on the Bond Register. In addition to the execution and delivery of the Representation Letter, the District shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Bonds for the Depository's book-entry program.

In the event: (i) the Depository determines not to continue to act as securities depository for the Bonds; or (ii) the Depository shall no longer so act and gives notice to the Treasurer and the District of such determination, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered Bond, per maturity, registered in the name of such successor or substitute qualified securities depository or its nominee. If the Treasurer and District fail to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the Nominee, but shall be registered in whatever name or names owners of the Bonds transferring or exchanging Bonds shall designate, in accordance with provisions of this Resolution, and the Treasurer, on behalf of the District, shall prepare and deliver Bonds to the owners thereof for such purpose.

In the event of a reduction in aggregate principal amount of Bonds Outstanding or an advance refunding of part of the Bonds Outstanding, DTC in its discretion, (a) may request the District to prepare and issue a new Bond or (b) may make an appropriate notation on the Bond indicating the date and amounts of such reduction in principal, but in such event the District records maintained by the Paying Agent shall be conclusive as to what amounts are Outstanding on the Bond, except in the case of final maturity in which case the Bond must be presented to the Paying Agent prior to payment.

Notwithstanding any other provisions of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository and acceptable to the District.

SECTION 13. Paying Agent.

(a) The Board does hereby appoint the Treasurer as Paying Agent for the Bonds. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The District shall function as the dissemination agent and shall perform all duties and obligations as set forth in the Continuing Disclosure Certificate, as described in Section 17 hereof.

(b) In the event that the Paying Agent initially appointed resigns from service as the Paying Agent, the successor Paying Agent may resign from service as Paying Agent upon sixty (60) days' written notice to the Treasurer and may be removed at any time by the Treasurer. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a principal corporate trust office in Los Angeles, California, with at least \$50,000,000 in assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor, or, if there is no successor, to the Treasurer. In the event that for any reason there shall be a vacancy in the office of the Paying Agent, the Treasurer shall act as such Paying Agent. The County shall promptly cause to be mailed, at District expense, the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the owners of the Bonds, at the addresses appearing on the Bond Register, to the Informational Services and to DTC.

(d) Any company or association into which the Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company or association to which the Paying Agent may sell or transfer all or substantially all of its corporate trust business, provided that such company or association shall be eligible under Section 13(b), shall be the successor to the Paying Agent and vested with all of the title to the trust estate and all of the trust, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding. All costs associated with the Paying Agent's merger or consolidation with another bank or trust company shall be paid by the successor Paying Agent. No expense resulting from such merger or consolidation shall be billed to the District.

SECTION 14. Defeasance. The Bonds may be defeased prior to maturity in the following ways:

(a) Cash: By irrevocably depositing with a bank or trust company, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Bonds Outstanding, including all principal and interest and premium, if any; or

(b) United States Obligations: By irrevocably depositing with a bank or trust company, in escrow, noncallable United States Obligations (as defined below), as permitted under Section 149(d) of the Code, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the Debt Service Fund, together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds (including all principal and interest represented thereby and redemption premiums, if any) at or before their maturity date.

If the Bonds are defeased, then, notwithstanding that any Bonds shall not have been surrendered for payments, all obligations of the District and the County with respect to all Outstanding Bonds shall cease and terminate, except for the obligation of the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section 14, to the Owners of the Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section 14, "United States Obligations" shall mean:

Direct and general obligations of the United States of America (including State and Local Government Series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidence of direct ownership or proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances wherein: (a) a bank or trust company acts as custodian and holds the underlying United States Obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States Obligations; and (c) the underlying United States Obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claims of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's and "Aaa" by Moody's Investors Service.

For purposes of this Section 14, and Section 15, the escrow agent bank and verification agent shall be selected by the District in consultation with the County. Any escrow bank or trust company, other than the County, shall conform to the successor paying agent requirements of Section 13(b) hereof.

SECTION 15. Partial Defeasance. A portion of the then-Outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with a bank or trust company, in escrow, an amount of cash which, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay the designated Outstanding maturities of Bonds, including all principal and interest and premium, if any; or

(b) United States Obligations: by irrevocably depositing with a bank or trust company, in escrow, noncallable United States Obligations, as permitted under Section 149(d) of the Code, together with cash, if required, in such an amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon, be fully sufficient to pay and discharge the designated maturities of Bonds (including all principal and interest represented thereby and redemption premiums, if any,) at or before their maturity date.

If a portion of the Bonds are defeased, then, notwithstanding that any of such designated maturities of Bonds shall not have been surrendered for payment, all obligations of the District and the County

with respect to such Outstanding maturities of Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section 15, to the Owners of the Bonds of such maturities designated for redemption not so surrendered and paid, all sums due with respect thereto.

For purposes of this Section 15, United States Obligations shall have the same meaning as set forth in Section 14 hereof.

SECTION 16. Security for the Bonds. The County shall cause to be levied on all the taxable property in the District commencing in Fiscal Year 2002-2003, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal of and interest on the Bonds when and as the same fall due. The monies in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same becomes due and payable, shall be disbursed by the Treasurer to the Paying Agent, for subsequent disbursement to the beneficial Owners of the Bonds.

SECTION 17. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate (as defined below), which shall be executed by District and delivered at the time of delivery of the Bonds. Notwithstanding any other provisions of this Resolution, failure of the District to comply with the Continuing Disclosure Certificate shall not be considered a default by the District hereunder or under the Bonds; however, any underwriter or any holder or beneficial Owner of the Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

"Continuing Disclosure Certificate" shall mean that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

SECTION 18. Bond Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal or interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of principal or interest on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the Bond Register upon receipt of a copy of the canceled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the Bond Register upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Official Statement. The District authorized and shall be responsible for preparing a preliminary and final Official Statement meeting the requirements of Securities and Exchange Commission ("SEC") Rule 15c2-12. Such preliminary Official Statement and final Official Statement are collectively referred to herein as the "Official Statement."

SECTION 20. Tax and Arbitrage Matters.

(a) The District has represented that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Bonds under Section 103 of the Code.

(b) The District has covenanted to restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute "arbitrage bonds" under Section 148 of the Code and the applicable regulations prescribed under that section or any successor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

(c) The District, in order to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds, has covenanted to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code, as set forth in the nonarbitrage (tax) certificate to be provided to the District by Bowie, Arneson, Wiles & Giannone, Bond Counsel, on the date of initial delivery of the Bonds and incorporated herein by this reference as a source of guidance for compliance with such provisions.

(d) The District shall at all times do and perform all other acts and things necessary or desirable and within its powers to assure, for the purposes of California personal and Federal income taxation, that the tax-exempt status of the interest paid on the Bonds to the recipients thereof will be preserved.

(e) Notwithstanding any other provision of this Resolution to the contrary, upon the District's failure to observe, or refusal to comply with, the above covenant, no person other than the owners of the Bonds shall be entitled to exercise any right or remedy provided to such owners under this Resolution on the basis of the District's failure to observe, or refusal to comply with, the above covenant.

SECTION 21. Unclaimed Monies. Notwithstanding any other provisions of this Resolution, any monies held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, redemption premium, if any, interest or Maturity Value on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the

Bond Register, postage prepaid, not less than 90 days prior to the date of such payment. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

SECTION 22. [Reserved]

SECTION 23. Compliance With Law. All acts, conditions and things required by law to be done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including this proposed issue of the Series D Bonds, is within all limits prescribed by law.

SECTION 24. Conditions Precedent. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Series D Bonds, in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Series D Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Series D Bonds.

SECTION 25. Amendments. The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

(a) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond Owners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(c) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond Owners.

In the event of any such amendment, the County shall promptly provide the District and the Paying Agent with copies of such amendment and the action of the County Board approving such amendment.

SECTION 26. Approval of Actions. Officers of the Board and County officials and staff, including the Treasurer or the Treasurer's designee, are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance and sale of the Series D Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such

actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 27. Furnishing of Clerk's Certification. The Executive Officer-Clerk of the Board is hereby authorized to furnish one certified copy of this Resolution to Bowie, Arneson, Wiles & Giannone, District Bond Counsel, at or prior to closing.

The Bonds shall bear interest at the rates, and shall mature in the years shown on Exhibit "A" hereto, which is incorporated herein by this reference.

2. **The Bonds.** The Bonds shall be comprised of Current Interest Bonds and Capital Appreciation Bonds as designated in Exhibit A. The Bonds shall be dated _____, 2002, and shall otherwise be as described in, and shall be issued and secured pursuant to, the provisions of the Resolution of the District ("District Resolution") adopted on August 15, 2002, and the Resolution of the Board of Supervisors of the County adopted on _____, 2002 ("County Resolution" and collectively with the District Resolution, the "Resolutions"), and Section 15100 *et seq.*, of the California Education Code ("Act").

Certain provisions for the optional redemption of the Bonds not otherwise specified in the Resolutions are shown in Exhibit A attached hereto and incorporated herein by reference, all as provided in the County Resolution.

The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Contract and the Resolutions. 5. **Review of Official Statement.** The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated _____, 2002 ("Preliminary Official Statement"). The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

6. **Closing.** At 8:00 a.m., California Time, on _____, 2002, or at such other time or on such other date as shall have been mutually agreed upon by the District, the County and the Underwriter ("Closing"), the County, on behalf of the District, will deliver to the Underwriter, at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as the County, on behalf of the District, and the Underwriter may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and in Los Angeles, California, the other documents hereinafter mentioned, and the Underwriter will accept such delivery and pay the purchase price thereof, of \$ _____, in immediately available funds by check, draft or wire transfer to or upon the order of the Los Angeles County Treasurer.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

[THE FOLLOWING TO APPEAR ON THE TERM BONDS, IF ANY:]

[The Bonds maturing on September 1, _____ are subject to mandatory sinking fund redemption in part by lot, on September 1 of each year, commencing September 1, _____ and on each September 1 thereafter in accordance with the schedule set forth below. The Bonds so called

<hr/>	<hr/>
<hr/>	<hr/>

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some multiple thereof and that, in selecting Bonds for redemption, the Paying Agent shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000. If less than all of the Bonds shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called by lot in any manner which the District in its discretion shall determine.

The Paying Agent shall give notice of the redemption of the Bonds at the expense of the District. Such notice shall specify: (a) that the Bonds or a designated portion thereof are to be redeemed, (b) the serial or registration numbers and CUSIP numbers, if any, of the Bonds to be redeemed, (c) the date of notice and the date of redemption, (d) the place or places where the redemption will be made, and (e) descriptive information regarding the issue of Bonds and the specific bonds redeemed, including the dated date, interest rate and stated maturity date of each. Notice of redemption shall be registered or otherwise secured mail or delivery service, postage prepaid, to the registered owner of the Bonds, or if the original purchaser is a syndicate, to the managing member of such syndicate, to a municipal registered securities depository and to a national information service that disseminates securities redemption notices and, by first class mail, postage prepaid, to the District, the County and the respective owners of any registered Bonds designated for redemption at their addresses appearing on the Bond registration books, in every case at least thirty (30) days, but not more than forty-five (45) days, prior to the redemption date; provided that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds, nor entitle the Owner thereof to interest beyond the date given for redemption.

Neither the District, the County nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th day of the month next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice

of redemption is given, or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The County Resolution contains provision for the payment of the interest on, and the principal and premium, if any, of any of the Bonds so that the Bonds shall no longer be deemed to be outstanding under the terms of the County Resolution.

Reference is made to the County Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Registered owners, and the terms and conditions upon which the bonds are issued and secured. The owner of this bond assents, by acceptance hereof, to all of the provisions of the County Resolution.

IT IS CERTIFIED AND RECITED that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that payment in full for the Bonds has been received; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the Bonds; and that due provision has been made for levying and collecting ad valorem property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.

This Bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the County Resolution until the Certificate of Authentication below has been signed.

IN WITNESS WHEREOF, the County of Los Angeles, California, has caused this bond to be executed on behalf of the District and in their official capacities by the manual or facsimile signatures of the Chairman of the Board of Supervisors and the Treasurer and Tax Collector of the County, and to be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Supervisors of the County, and has caused the seal of the County to be affixed hereto, all as of the date stated above.

The Series D Bonds shall otherwise conform to the requirements forth herein and in the County Resolution.

SECTION 6. Negotiated Sale. That the County Board is hereby requested to issue the Series D Bonds to be sold at a negotiated sale in accordance with the terms and conditions, including provisions for the optional redemption of the Series D Bonds, in substantially the form set forth in the Contract of Purchase ("Purchase Contract") by and among the County, the District and Underwriter, a form of which is attached hereto as Exhibit "A" and incorporated herein by this reference.

The Board hereby authorizes and directs the Designated Officer to deliver to the Underwriter a certificate to the effect that the District deems the Preliminary Official Statement, in the form approved by the Designated Officer, to be final as of its date, within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (except for the omission of certain final pricing, rating and related information as permitted under such Rule).

(b) The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Series D Bonds, or of any of the property financed or refinanced with the proceeds of the Series D Bonds, or other funds of the District, or take or omit to take any action that would cause the Series D Bonds to be deemed "arbitrage bonds" within the meaning of Section 148 of the Code. To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated under that section or any successor section to the extent that such requirements are in effect and applicable to the Series D Bonds.

(c) The District represents that it shall not take any action, or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series D Bonds under Section 103 of the Code.

SECTION 13. Expenditure of Bond Proceeds. The District hereby covenants to expend all Series D Bond proceeds in accordance with the Election and applicable law, including, but not limited to, Chapter 1 of Part 10 of Division 1 of Title 1 of the California Education Code of the State of California (commencing with Section 15100), as amended, and Article XIII A of the California Constitution.
